PRESENTATION OF FY 2019-2020 BUDGET

County Manager Heath presented the following FY 2019-2020 Budget Message:

June 3, 2019

To: The Honorable Chair, Board of Commissioners, and taxpayers of Perquimans County

I respectfully submit the proposed budget for Perquimans County for the Fiscal Year 2019-2020. The budget has been prepared in accordance with the North Carolina Local Government Budget and Fiscal. Control Act. The budget identifies the estimated revenues and expenditures for the Fiscal Year 2019-2020.

Proposed Tax Rate

As in years past, the County's budget process calls for department heads and other agencies to submit budget requests to the County Manager. In total, the requests amounted to approximately \$21.9 million. That's over \$6 million dollars more than anticipated revenues for the upcoming fiscal year. The tax rate would have to be 47 cents higher to fully fund all requests of Perquimans County for the next year.

Total taxable value increased from \$1,320,487,304 to \$1,329,941,994, or 0.7%. An additional \$194,884,096 in value was added due to the Desert Wind project. After third year depreciation and the grant agreement with the County, the net gain in value would he \$77,953,559, or five percent of the County's total tax value. I have estimated an additional \$459,926 in revenue for FY 19-20 as a result. We have experienced gains primarily in ad valorem and sales tax revenues, and Inspections and Register of Deeds fees. However, for the past 10 years, our total tax base growth has averaged around 1% per year. This is well below the 5 to 9% growth we were experiencing before the real estate market crash of 2008. In addition, Perquimans County has invested heavily in school spending, emergency services and public safety expenditures since fiscal year 2016. For example, school local current expense allocations have increased by 525,000 annually during that time frame. Both the Sheriffs Department and EMS budgets have increased by over \$200,000 each since fiscal year 2016. These investments have been necessary and important, and have bolstered our County services to the benefit of our citizens, namely our children, our seniors and our visitors. Because of the positive financial condition of the County, we were able to finance many of these improvements using fund balance, saved over the previous several years. Of note, however, is that I project that we're going to use \$732,682 of the budgeted fund balance appropriation from last fiscal year of \$990,000. After using the \$732,682 out of fund balance the budget, we will have an estimated 23.4% fund balance remaining. To begin to stabilize the effects of our reliance on fund balance in previous budgets, I am recommending a two-cent rate increase for fiscal year 19-20 to 59 cents per hundred dollars of value. I am also recommending using \$597,943 out of fund balance for FY 19-20 budget. This will leave us around 20% for a fund balance going in to FY 20-21, which is as low as I wo

When compared to other Counties in the region, Perquirnans' tax rate will remain among the lowest in eastern North Carolina:

Perquimans -	59 cents per hundred
Gates-	76 cents per hundred
Camden-	74 cents per hundred
Chowan-	74.5 cents per hundred
Pasquotank -	77 cents per hundred

While the tax rate is well below others in the region, this budget still provides adequate funding for services that we have historically provided, enhances some services, and provides benefits for the County employees.

General Fund Balance Summary

The General Fund budget is \$16,060,572 for 2019-2020, up \$132,597 from the current year's amended budget of \$15,927,975.

General Fund Revenues

Property taxes account for the vast majority of general fund revenues, and I've already mentioned the conditions as it relates to real property taxation.

Sales tax revenues are the second largest source of County general fund revenues. Based on collections from this fiscal year, sales tax revenues are projected to increase by a total of \$57,417 compared to last year's budgeted amount, for a total of \$1,707,417.

An additional \$397,008 is forecast to be added to Perquimans' sales tax allocation to reflect the additional services taxed by the General Assembly in 2016. In addition to sales tax revenues, there are three other important sources of revenue that provide insight to the strength of the local county economy. They are Building Inspection Fees, Register of Deeds Fees, and Land Transfer Tax Revenues. While sales taxes reflect retail sales, these other revenues are construction and real estate based. Expected Land Transfer Tax revenues in FY 2019-20 are \$380,000, \$30,000 more than last year. Building Inspection Fees and Register of Deeds Fee revenues increased steadily, projected at \$270,000 combined, reflecting a \$40,000 increase in revenue for these two fees for FY 2019-2020. The fact that these fees have increased shows that the real estate market is a little stronger, and so property tax base growth may be a little higher next year. A continuing revenue for this budget year will be a projected \$340,670 Medicaid hold-harmless allocation from the State.

General Fund Expenses

Most of the departmental operating budgets remain nearly static compared to the current budget year. By way of comparison, the five largest General Fund expenses by department or agency are as follows:

Department/Agency	Proposed FY 19-20 Funding	<u>% of Total GF Budget</u>
Perquimans County Schools	\$4,211,603	26%
Social Services	\$2,471,440	15%
Emergency Medical Services	\$1,599,600	10%
Sheriff Department	\$1,342,551	8%
Public Buildings and Grounds	\$773,196	5%

School Funding

As presented by the Board of Education and school staff earlier this spring, the Perquimans County School System has requested \$3,278,386 for school current expense, an increase of \$378,386 over last year's County appropriation of \$2,900,000. This represents a 13% requested increase from the previous fiscal year.

3521

The proposed FY 2019-20 County budget maintains the local current expense budget at \$2,900,000. This continues a significant commitment by the County Board of Commissioners to fund instructional services, support services, athletics, maintenance and utilities. The school capital outlay budget maintains at \$475,000. This capital allocation will allow for the continuation of the 1:1 technology initiative, as well as other capital outlay items presented by the school staff. The County continues to absorb most of the costs associated with providing School Resource Officers at all four schools, which represents at least another \$125,000 per year in costs for salary, transportation, and outfitting.

Building and Facility Initiative/Capital Outlay

Perquimans County will engage in several new facility projects in FY 2019-20. Highlights include new LED lights at the Perquimans Recreation Center, additional parking areas and security cameras at the Senior Center, and technology improvements to the Perquimans County Courthouse. Also included are funds for an architect to provide design services for the 2nd phase of the Perquimans County Recreation Center.

Capital outlay items include new voting equipment for the Board of Elections as required by State law, completion of the tax/finance software system, two sheriffs department trucks, additional electronic door accesses for County facilities, re-use of a generator to be deployed at the Recreation Center in case it ever needs to be used as a shelter, a new software package for the Inspections department, a 12-lead defibrillator for EMS, six 800 mhz radios for EMS, a powered stretcher cot for EMS and bleachers for the Winfall ballfield for the Recreation Department.

Personnel

The proposed FY 2019-20 budget contains a 2 percent cost of living adjustment for County employees, and maintains merit and salary step increases for those employees who qualify. Also included is a $1^{\circ}/0$ 401k match for employees.

Perquimans County participates in the State Health plan, and health insurance rates are projected to increase to \$592 per employee per month. The rate of \$592 monthly includes a projected 5% increase in rates and \$25 per month per employee that the State charges employees for the base 7030 plan.

Retiree health coverage is becoming an increasing burden on the County. With the addition of several new retirees and the increase in costs, we are expecting that the total costs in FY 19-20 will exceed \$185,000, up \$15,000 from last year.

The North Carolina Local Government Employees Retirement System employers' contribution will increase to 9.05% from 7.84% for FY 19-20.

This budget includes a part-time fire marshal, a much needed position that the County has had unfilled for many years. It also includes the addition of a part-time Sheriff's deputy.

\$20,000 has been allocated to the Tourism Development Authority to continue to fund our full-time tourism director, in coordination with the Town of Winfall. The Town of Hertford has indicated that they will not contribute to the Director's salary for the next fiscal year.

Other Noteworthy Items

- Funding for the County Fire Departments increases to \$75,000 each, up from \$72,500 for each department last year.
- Funding for the Perquimans County Library increases to \$187,500.
- \$25,000 for code enforcement/house removal.
- Albemarle District Jail remains a considerable expenditure, at \$726,186.

Water Fund

Perquimans continues to make significant investment in its overall ability to provide water to its customers. However, our infrastructure is over 30 years old in some places. This means that the County makes ongoing repairs to the lines in the system as needed throughout the year. Perquimans continues to purchase 150,000 gallons of reverse osmosis water from Pasquotank County that services customers on the Winfall plant side. The bulk water rate that Pasquotank County charges is expected to remain \$6.00 per thousand gallons. We completed a significant well site improvement on the Bethel plant side in 2019. We will also allocate \$100,000 for the replacement of aging water meters throughout our system. The total water fund budget for the Fiscal Year 2019-20 is \$2,649,462. The water rates for Perquimans County will remain unchanged for the upcoming fiscal year.

Solid Waste Fund

The proposed solid waste fee for FY 19-20 is \$140, no increase from last fiscal year. This fee covers the cost of operating the five Convenience Site locations, the County's portion of the Perquimans-Chowan-Gates Transfer Station operating cost, and the tipping fee for the County's solid waste at the private landfill in Bettie County. We've made significant capital improvements to our sites, including paving and additional compactors. The total solid waste fund budget is projected at \$974,109.

Conclusion

As indicated earlier, this budget maintains significant spending for schools, public safety and emergency services. We have covered increased health care costs for County employees and retirees, maintained merit and step increases for those who qualify, included a 2 percent cost of living adjustment and a 1% 401k match for those employees who qualify. We have increased funding for new elections equipment as required by the State, increased funding for our volunteer <u>fire</u> departments, and added additional amenities at out Senior Center. We have added a part-time fire marshal and a part time sheriffs deputy. The state of County financial and administrative affairs continues to be sound.

I'd like to thank the Department Heads for their stewardship in this budget process and their consideration of the marginal increase in County revenues. I would also like to thank the Board of Commissioners for your involvement in the budget process and for making difficult, but important decisions on behalf of the citizens of Perquimans County. Finally, I'd like to thank County staff: Tracy Mathews- Finance Officer, Mary Hunnicutt- Clerk to the Board, and Bill Jennings- Tax Administrator, for their assistance and guidance in this process.

I thank each of you for your consideration of this proposal and welcome any changes the Board deems appropriate.

At the request of the Chairman and Board of Commissioners, a public hearing has been scheduled for Monday, June 17, 2019, at 7:00 p.m. in the Commissioners' Room of the Courthouse Annex for public comment and to consider adoption of the budget.

COMMISSIONER'S CONCERNS/COMMITTEE REPORTS

The following commissioner's concerns/committee report was given:

- Commissioner Lennon: Mr. Lennon expressed his concerns about the Tourism Development Authority (TDA) membership. He would like the Board to consider adding two (2) more representatives. Commissioner Hoffler asked Mr. Lennon if the Town of Hertford dropping out of the membership affect our funding and if they provided a valid reason for dropping out. Mr. Lennon answered no to both questions. Commissioner Jones recommended that we place it on the Work Session in July depending on the items we have on the Agenda. Chairman Nelson suggested adding it to the June Agenda.
- Chairman Nelson: Mr. Nelson said that a copy of a Resolution to support Healthcare in Eastern North Carolina was included in the Agenda Packet tonight. Chairman Nelson read the Resolution. Because he works for Vidant Health System, he requested that he be recused from voting on this matter. On motion made by T. Kyle Jones, seconded by Joseph W. Hoffler, the Board unanimously approved to accept Mr. Nelson's request to be recused from this matter. At this point, Chairman Nelson turned the meeting over to Vice Chair Leigh. After some discussion on the subject, T. Kyle Jones, made a motion to adopt the following Resolution which was seconded by Charles Woodard and approved by the Board with Chairman Nelson being recused:

RESOLUTION IN SUPPORT OF HEATHCARE FOR EASTERN NORTH CAROLINA AND FUNDING FOR VIDANT HEALTH

WHEREAS, the Mission of Vidant Health is to improve the health and well-being of eastern North Carolina through becoming the national model for rural health and wellness by creating a premier, trusted health care delivery and education system supporting the region.

WHEREAS, the people of Perquimans County and eastern North Carolina have benefited tremendously from the healthcare system provided by Vidant Health in partnership with the Brody School of Medicine at East Carolina University; and

WHEREAS, Vidant Health encompasses Vidant Medical Center in Pitt County, as well as community hospitals in Beaufort, Bertie, Chowan, Dare, Duplin, Edgecombe, and Hertford Counties, and in addition Vidant physician practices throughout eastern North Carolina. These partners join together to fulfill the Mission of Vidant Health, and

WHEREAS, the proposed budget by the North Carolina Senate cuts Vidant Medical Center's Medicaid Reimbursement by approximately \$35 million beginning July 1, 2019; and

WHEREAS, this would be in addition to the \$38 million annual cut to Vidant resulting from changes to the State Health Plan taking effect on January 1, 2020; and

WHEREAS, together, this \$73 million cut equates to about three percent of the annual operating budget, which is more than Vidant's operating margin for FY 2018. These cuts will eliminate 100% of the system's bottom line; and

WHEREAS, Vidant Health remains and will continue to serve as the primary affiliated teaching hospital for the Brody School of Medicine at East Carolina University.

NOW THEREFORE BE IT RESOLVED, that the Perquimans County Board of Commissioners urges the North Carolina General Assembly to keep in place funding necessary for maintaining access to high quality healthcare for all people in eastern North Carolina; and

BE IT FURTHER RESOLVED, the Perquimans County Board of Commissioners are concerned about the proposed cuts to funding for Vidant Health as the teaching hospital for the Brody School of Medicine at East Carolina University; and

BE IT FURTHER RESOLVED, the Perquimans County Board of Commissioners are concerned with the difficulty the parties involved appear to be having finding a resolution of these fiscal matters, potentially threating the access to high quality healthcare for all people in eastern North Carolina, especially the rural areas; and

BE IT FURTHER RESOLVED, this resolution be immediately sent to all members of the North Carolina General Assembly and the Governor.

Adopted this the 3rd day of June, 2019, in Perquimans County, North Carolina.

ATTEST

Mary P. Hunnicutt, Clerk to the Board

Wallace E. Nelson, Chairman Perquimans County Board of Commissioners

After the vote, Vice Chair Leigh turned the meeting over to Chairman Nelson. Mr. Nelson thanked the Board and informed them that Chowan County was considering the Resolution at their meeting tonight.

- (iii) Tenant, shall become dissolved, bankrupt or insolvent, or file any debtor proceedings, or file pursuant to any statute a petition in bankruptcy or insolvency or for reorganization, or file a petition for the appointment off receiver or trustee for all or substan-tially all of Tenant's assets and such petition or appointment shall not have been set aside within sixty (60) days from the date of such petition or appointment, or if Tenant makes an assignment for the benefit of creditors, or petitions for or enters into an arrangement;

(b) In addition to its other remedies, either at law, equity, or other, County, upon an Event of Default by Tenant, shall have the immediate right, after any applicable grace period expressed in this Lease, to terminate and cancel this Lease. In the event of an elected termination, County may recover from Tenant damages, including the costs of recovering the Leased Premises, and Tenant shall remain liable to County for the total Rent (which may at

County's election be accelerated to be due and payable in full at its present value using a six percent (6%) discount rate as of the Event of Default and recoverable as damages in a lump sum) as would have been payable by Tenant under this Lease for the remainder of the term less the rentals actually received from any re-letting or, at County's election, less the reasonable rental value of the Leased Premises for the remainder of the term. County has the affirmative duty to use reasonable efforts to mitigate Tenant's liability under this Section by re-letting the Leased Premises.

TRANSFER OF PROPERTY WITH NCDOT

County Attorney High explained that, in 2004, NC Department of Transportation (NCDOT) asked the County to do an equal value exchange of property. NCDOT would be giving the County five (5) acres on US Highway 17 and the County would be giving NCDOT 4.47 acres behind the NCDOT Shop and the ball field on Wiggins Road. When the survey of these two properties were done, they realized that the line between NCDOT property and the County property was not to the fence but would be into the outfield of the ballpark. The County was not willing to do that so NCDOT agreed to give the County three (3) acres in exchange for the five (5) acres. Everything was agreed upon but the matter was never finalized or recorded. Once NCDOT realized that the transactions had not been finalized, they contacted Mr. High to see if he could finalize it. Because NCDOT could not locate their deed, everything will need to be redone. The County will need to hold a public hearing and vote on this equal value exchange of property. Mr. High stated that the General Statutes allow this to be done as long as it is in equal value. Mr. High and County Manager Heath wanted to bring this before the Board tonight to update them on the situation and let them know what needs to be done. What he needs from them tonight is a consensus to allow him and Mr. Heath to proceed with setting up the Public Hearing. It was the consensus of the Board to have Mr. High and Mr. Heath proceed to complete this process and hold a public hearing at the next meeting.

RESOLUTION FOR STRENGTHENING CRITICAL DRAINAGE & WATER QUALITY INFRASTRUCTURE

At the May 20, 2019 Work Session, County Manager Heath presented a Resolution that was forwarded to him from Mark Powell, Albemarle RC&D, to request the State to strengthen critical drainage & water quality infrastructure in the northeast North Carolina area around the Albemarle & Pamlico Sounds. On motion made by Alan Lennon, seconded by T. Kyle Jones, the Board unanimously approved the following Resolution:

RESOLUTION FOR STRENGTHENING CRITICAL DRAINAGE & WATER QUALITY INFRASTRUCTURE

WHEREAS, the Perquimans County Board of Commissioners, which recognizes that more frequent and stronger storm events are causing longer periods of severe flooding and the subsequent degradation of water quality, AND that these problems are negatively impacting both urban and rural residents, businesses, and our regional economy, DESIRES to work with our legislators, local governments, businesses, Albemarle Resource Conservation and Development Council (ARC&D), Albemarle Commission (AC), Soil and Water Conservation Districts (SWCD), farmers, non-profit groups, universities, state and federal agencies and citizen scientists to strengthen critical drainage and water quality infrastructure in northeast North Carolina.

NOW, THEREFORE, BE IT RESOLVED THAT:

The Perquimans County Board of Commissioners requests the State of North Carolina to increase financial assistance to the ten counties in northeast North Carolina around the Albemarle and Pamlico Sounds for the following activities, which will help strengthen critical drainage and water quality infrastructure in northeast NC.

- We recognize that creeks, rivers and canals are critical for draining stormwater off our flat landscape. However, many of these systems become clogged with woody debris during storm events, both minor and major. We request matching funds for local governments to annually clear debris from creeks, rivers and canals. This will help strengthen critical drainage infrastructure and lessen the damage that can occur during major storms such as Matthew and Florence.
- 2) We recognize that swamp forests are a critical component of drainage infrastructure as they help mitigate floodwaters and improve water quality. We request funds to help provide financial incentives to owners of swamp forests to conserve a minimum 100-foot buffer along creeks and rivers, which is essential for protecting both drainage and water quality.
- 3) We recognize that the return of algal blooms to our waters after an absence of 30 to 35 years is a threat to fisheries, recreation, property values, and human health, and thus to our regional economy. We request funds to help identify the causes of, and solutions to, the algal blooms, specifically to proactively monitor water quality in creeks and rivers—where NCDEQ does not have monitoring stations—in order to identify the specific sources of nutrients and sediment entering our waterways. This work would be performed in collaboration with local governments, ARC&D, AC, SWCD, universities, and citizen scientists.
- 4) We recognize that many of the County's drainage issues come from the poor condition of roadway ditches, and the ditches and canals from adjacent creeks and streams that feed into roadway ditches. We request additional state funding that would allow the NCDOT to properly maintain its ditches, and would allow NCDOT to come off of its right of way to aid the clearing of adjacent canals/ditches that feed into its roadway ditches.

ADOPTED the 3rd day of June, 2019.

The Perquimans County Board of Commissioners met in a SPECIAL CALLED MEETING on Monday, June 17, 2019, at 7:00 p.m. in the Commissioners Room located on the first floor of the Perquimans County Courthouse Annex.

| MEMBERS ABSENT: | None | |

OTHERS PRESENT: Frank Heath, County Manager Mary Hunnicutt, Clerk to the Board

Chairman Nelson called the meeting to order. Commissioner Leigh gave the invocation and the Chairman led the Pledge of Allegiance. Chairman Nelson explained that this Special Called Meeting was scheduled to hold a Public Hearing for the FY 2019-20 Budget.

PUBLIC HEARING – FY 2019-2020 Budget

Chairman Nelson opened the second Public Hearing stating that the purpose of the public hearing was to receive public comments on the proposed FY 2019-2020 Budget. There were fourteen (14) people present. County Manager Heath stated that he had presented the Budget Message at the June 3, 2019 meeting and that he had no further comments. Mr. Nelson asked if anyone had signed up to speak. Mary Hunnicutt, Clerk to the Board, stated that we had a couple of individuals that requested to speak:

> **Terry Swope**: Mr. Swope summarized the following letter:

To: Perquimans County Board of Commissioners:

My name is Terry Swope, I live Perquimans County. I am writing to you today to point out the spending trends in Perquimans County. Much is said about Perquimans County spending being "Frugal" and based upon "Well documented needs". The Commissioners are being called upon to enact a budget that requires yet again, another tax increase. I have reviewed the last 9 Perquimans' County budget proposals, as well as those of our neighboring counties, here are my findings:

Perquimans County has experienced NO NET change in its' rate of poverty of 18% . Census data show median household income has risen basically on pace with inflation from \$37,862 in 2011 to \$44,039 in 2017. Meanwhile, our county budget has literally BALLOONED in the last 9 years from \$12,240,096 in 2012 to a sure to be amended upward \$16,060,572 - a whopping 31.2%

To put that in perspective, the federal government increased spending in that same time frame 31.7%, but the Fed's had a 7% increase in population and a new health care law on the books. Perquimans had NO NET increase in populace, and a slight decrease in student (the largest part of the budget) enrollment.

Perquimans County has raised its number of county workers by 15.7% only to service the same number of citizens! We've increased our county workforce more than Gates, Chowan, or Camden counties, and Camden is actually growing in populace!

Perquimans County has increased spending by a greater percentage than Camden, Gates and Chowan counties. Only Pasquotank has got us beat, and they are actually REDUCING their budget this year Perquimans County has increased spending EVERY SINGLE YEAR since 2011, and usually amends it even higher still during the year. Each of our local counties has had a revaluation of property, and subsequent tax increase. Perquimans (unfortunately) leads the pack there as well:

| Chowan – 2012 rate.685/100 | proposed 2020 rate .755/100 a 10.2 | % increase |
|-------------------------------|------------------------------------|------------|
| Gates - 2012 rate .64/100 | proposed 2020 rate .76/100 an 18.7 | % increase |
| Camden – 2012 rate .59/100 | proposed 2020 rate .75/100 a 27.1% | increase |
| Pasquotank 2012 rate .605/100 | proposed 2020 rate .77/100 a 27.35 | increase |
| | | |

Perguimans - 2012 rate -.44/100 proposed 2020 rate .59/100 a huge 34% increase

Ladies and gentlemen, I would urge the board to look at the requests the department heads submitted. Total requests have been rising at a still faster rate. Had everyone got their wish list, the budget would come in closer to \$22,000,000 nearly double the total requests in 2012. All to service the same number of citizens! It is simply unsustainable. County spending is rising at literally double the rate of incomes - I request an end to the rapid growth in tax and spending in Perquimans County.

Respectfully,

Terry Swope

> <u>Pete Perry</u>: Mr. Perry stated that he had two items of concerns:

EMS: He attended the Riverbash festivities the other week and saw the EMS staff and equipment there and was very pleased at what he saw. He then went under the tent where he was offered various trinkets, i.e. key chains, pencils, pens, etc. with advertisements on them. He chose the pencil which he passed around. It has been his experience with nonprofit groups that these type of things cost money. He further stated that there must be a line item in the budget to cover these touchy, feel good products. He recommends to them that, if there is a line item there that says touchy, feel good or

: ,

3529

any other promotional materials, the Board should strike it from the budget. It may not be more than \$200 but, if you take that cost from all departments, it will mount up. The departments do not need to advertise.

• Fire Departments: It is his understanding that the County is providing the Fire Departments \$75,000 a year. He further stated that there is a man in town that may be charged with high crimes and misdemeanors and will have to reimburse funds that he has collected over the years that he was a fireman. He feels that, if this person is convicted and has to reimburse those funds. He recommends that this Board request that those funds come back to the County because he is sure that the town did not pay it but the County did.

The last comment he made was that there are two ways to go with taxes: you either raise taxes or reduce payments.

Chairman Nelson asked if there were any further comments or questions. There being none, Chairman Nelson closed the public hearing at 7:08 p.m.

<u>AGENDA</u>

Charles Woodard made a motion to approve the Agenda, as amended. The motion was seconded by Fondella A. Leigh and unanimously approved by the Board.

FY 2018-2019 YEAR-END BUDGET AMENDMENTS

Mr. Heath explained that Budget Amendment numbers 20 thru 21 have been prepared to balance the current year's budget. He explained further about three (3) department overages:

- Sheriff's Department: Mr. Heath explained that this budget was overspent mostly due to providing coverage for the Town of Hertford. We have received reimbursement for those expenses and they are posted to miscellaneous revenue.
- Telecommunications & EMS: Both of these departments have to rely heavily on part-time staff to fill open shifts due to unscheduled medical leave. They also have to respond to emergency situations. Most of which we have not yet received reimbursement. An example of this would be the response to Hurricane Florence when our staff members worked around the clock to provide coverage.

There being no further questions or comments, T. Kyle Jones made a motion to approve the following Year-End Amendments. The motion was seconded by Joseph W. Hoffler and unanimously approved by the Board.

FY 2019-2020 BUDGET

County Manager Heath explained that, after the Budget Work Sessions, the presentation of the Budget Message on June 3, 2019, and the Budget Public Hearing tonight, he presents the FY 2019-20 Budget for Board consideration. A copy of the Budget Ordinance was included in the Board's Agenda Packets. T. Kyle Jones made a motion to approve the FY 2019-20 Budget as presented. The motion was seconded by Fondella A. Leigh. Chairman Nelson asked if there were any questions or comments. The following comments were made:

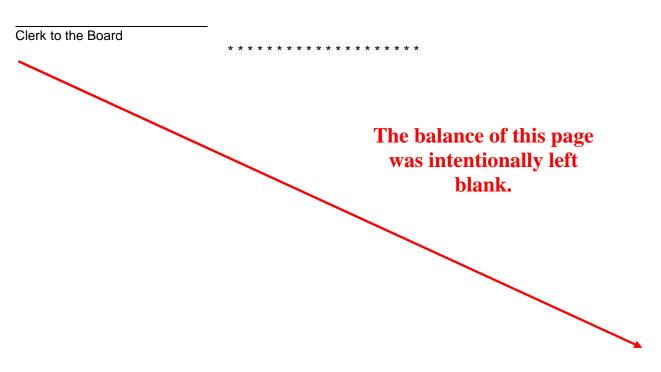

- Charles Woodard: Mr. Woodard said that in his research, he found that the Elizabeth City Fire Department has a budget of \$2.7 million. Of course, they do not have the luxury of having volunteers to serve like we do. He feels that the \$75,000 provided for the Fire Departments is well spent to keep the residents of Perquimans County protected. We need to think about what it would cost the County if they were all paid firemen.
- Wallace Nelson: Mr. Nelson explained that this was a part of an agreement with the Volunteer Fire Departments many, many years ago to get the amount up to \$75,000 by five or eight years. Mr. Heath said that he thought it was eight years. Mr. Nelson said that we would be hard pressed to provide fire coverage for \$75,000. He further stated that each fire department raises money and get loans to purchase their equipment.
- Kyle Jones: Mr. Jones said that there are certainly good reasons as to why he could vote for or against this budget but the Fire Departments is not one of the reasons not to vote for it. Mr. Jones references his comments from last year and I quote "Commissioner Jones stated that he was concerned about the School System spending and for that reason he could not vote for the proposed FY 2018-19 Budget because he felt the increase spending would result in a tax increase in future budgets." He is afraid that if we do not address some of our bigger spending items that we will be faced to have another tax increase next year.
- Wallace Nelson: Mr. Nelson said that he felt the all the Boards have done an outstanding job in the last eight to ten years that we have not had a tax increase. He discussed the following items that have improved over the past few years: (1) improvement in response times for our Emergency Medical Services because we have two paid crews 24 hours a day, seven days a week; (2) certification of our telecommunicators so they can assist with calls until help arrives; (3) SRO's in all four schools; and many others. He thanked all the staff for their outstanding efforts in controlling expenditures.
- Charles Woodard: Mr. Woodard said that, from information that he had received from the NCACC Conference last August, he discovered that Perquimans County ranked 24th out of 100 counties as far as lowest tax rate. He further stated that 90.8% of our children graduate from high school because we have a strong education system. With him being in business, he sees that things cost more than they did ten years ago. We need to be the best we can be which means that we may have to raise taxes.

There being no further comments, Chairman Nelson asked for a vote. The motion passed by a vote of five (5) to one (1) with Commissioner Jones voting against the motion. *(see Attachment A)*

ADJOURNMENT

There being no further comments or business to discuss, the Special Called Meeting was adjourned at 7:20 p.m. on motion made by T. Kyle Jones, seconded by Fondella A. Leigh. Chairman Nelson stated that, due to a lack of business, the Regular Work Session was cancelled.
