PUBLIC COMMENTS

The following public comment was made:

- Terry Smoot made the following comment:

Mr. Smoot expressed his opposition to add any additional holidays without subtracting some. As a taxpayer who has had his taxes raised three years in the last four years, he feels that we really do not need to add holidays without subtracting some. The County employees have a staggering amount of paid time off and, if you can do more with less, then you should not be raising my taxes in the last three years. In addition, he feels that we will have more tax increases in the future based on our proposed school projects, etc. That is his two cents, and he wanted to make his comment before the Board votes on this matter.

ADJOURNMENT

Chairman Nelson asked if there were any further comments or business to discuss. There being none, the Regular Meeting was adjourned around 7:38 p.m. on motion made by James W. Ward, seconded by Charles Woodard and unanimously approved by the Board. Before the Board leaves, Angela Jordan, Social Services Director, had three employees present that wanted to thank the Board for the additional two Social Worker positions.
