Perquimans' Seniors Join Us..

Help us welcome our guest entertainer:

Walter Schmitt on Valentine's Day, February 14, 2022 at 10:30am

Walter will play a variety of compositions on the cello and will end with a medley of known songs including Valentine Music! Walter will provide an opportunity for all the members to sing-along.

Mr. Schmitt left his home in New York after graduating from Adelphi University with a major in Music Education in 1956 to become a member of the United States Air Force Band in Washington, DC. After four years with the Air Force, he became a member of the United States Marine Corps Band at 8th and Eye. He has played at the White House for Presidents Eisenhower, Kennedy and Johnson. At age 28, Mr. Schmitt retired as a professional musician and spent forty years as a Life Insurance Agent. In 2004, he and his wife, Kathryn, a native of North Carolina, moved to Hertford from Kensington, Maryland. Kathryn died in 2019 and Walter had to find something to keep him busy. Mr. Schmitt took out his 200 year old plus cello to see if he could still play and has now been enjoying playing for the last two and one-half years.
