Where: 601A S Edenton Rd St, Hertford, NC 27944

Cost: \$15 Per Person

Join Perquimans' FCS agent in a hands-on workshop learning how to can in a boiling water bath! High-acid foods (low in pH) can safely be canned in a boiling water bath and be shelf-stable. Do you know which foods meet that requirement? Have you processed jars in this method before? What are the proper steps to take to safely can your harvests? Join us to learn the answers to these questions and participate in the canning process!
