Caregiver's Workshop

We will get an overview of the services available to Family Caregivers from the Albemarle Area on Aging as well as what other resources caregivers can tap into (Medicaid, VA, etc.). We will also get a list of home health, hospice, in-home aid agencies, and long-term care facilities in our region.

Monday, June 17 — 10:30 am

Ashley Lamb, Family Caregiver Resource Specialist from Albemarle Commission Area Agency on Aging will be here to lead our discussion.

** All programs and activities at this center are for Perquimans County Members only.*
