Support Our Meals on Wheels Program

The Elizabeth City Texas Roadhouse is holding a fundraiser for our Meals on Wheels program on Monday March 10th, 2025, from 4 pm until 9 pm. Many of the sites in our 10 county region currently have a waiting list for services due to limited funding and volunteers. By participating in this fundraiser, you can help decrease the amount of time and number of vulnerable older adults that are waiting to receive a hot meal. 10% of all meals that are purchased by someone who presents this printed email will be given to our agency to support the Meals on Wheels program in our region.

Please consider printing additional flyers to pass out to anyone who is willing to dine in or order to go in support of our Meals on Wheels program! Remember, they must give the flyer at the Elizabeth City Texas Roadhouse location. Thank you!
