ALBEMARLE REGIONAL HEALTH SERVICES ESTABLISHES REGISTRATION FOR COVID-19 VACCINE APPOINTMENTS
Registration only open for those 75 years and older

Elizabeth City, NC - Albemarle Regional Health Services (ARHS) has developed a registration form on the ARHS website for individuals to be able to register for the COVID-19 vaccine. The registration form can be found at <https://www.arhs-nc.org/information/COVID-19/vaccines/>

In an effort to document actual demand and need for COVID-19 vaccine throughout the region, ARHS will be collecting names through the web form **focusing only on those individuals 75 years of age and older.**

At this time, we are collecting names and contact information for each county for vaccine allocations for the week of **January 19-22**. ARHS will provide weekly updates on the ARHS website. This site will also be used to collect names so we can schedule clinics based on Federal and State weekly allocations, phase and target for the following week.

We have set the allocation for each county and the first individuals signed up and registered through this link will be contacted to receive vaccine. You can only register for one county – if you register for more than one county, your name will be removed. Again, please remember that only persons 75 and older may register and the surveys links below will be cut off when we reach the allotment noted.

County	Allocation	Link to Register
Bertie	300	https://www.surveymonkey.com/r/BertieCOVIDVacc75
Camden	200	https://www.surveymonkey.com/r/CamdenCOVIDVacc75
Chowan	300	https://www.surveymonkey.com/r/ChowanCOVIDVacc75
Currituck	500	https://www.surveymonkey.com/r/CurrituckCOVIDVacc75
Gates	200	https://www.surveymonkey.com/r/GatesCOVIDVacc75
Hertford	400	https://www.surveymonkey.com/r/HertfordCOVIDVacc75
Pasquotank	600	https://www.surveymonkey.com/r/PasquotankCOVIDVacc75
Perquimans	300	https://www.surveymonkey.com/r/PerquimansCOVIDVacc75

COVID-19 second dose vaccine clinics will be scheduled for the last week of January and the first week of February. Specific dates and times will be announced soon.

“ARHS hopes that the online registration form will help meet the demand for the COVID-19 vaccines across the region,” states R. Battle Betts, Jr., MPA, health director. “We encourage Phase 1b group 1 individuals 75 and older, to register so we can ensure you have access to the vaccine. We know individuals in this target group may not have access to web or email; however, they can call our offices for assistance. We also ask that neighbors help neighbors. Please reach out to your family and friends who are in this age group and help them with the registration process.”
