ARTICLE I

Introductory Provisions

- 1.01 Purpose
- The Purpose of the Perquimans County addressing and road naming Ordinance is to protect the safety and welfare of the general public through the orderly assignment of addresses to facilitate the location of individual dwellings and businesses by emergency response personnel.
- 1.02 Enactment and Authority
- There is hereby established and adopted a detailed, permanent, uniform, addressing system, pursuant to authority of Chapter 153A-239.1 of the General Statutes of North Carolina. In addition, pursuant to authority provided in Chapter 153A-239.1, General Statutes of North Carolina, empowers the County to name roads.
- 1.03 Short Title
- This Ordinance shall be known as the "Addressing and Road Naming Ordinance of Perquimans County, North Carolina," and may be referred to as "Addressing Ordinance," and the map referred to is identified by the title "Official Road Name and Structure Numbering Map, Perquimans County, North Carolina," and may be known as the "Addressing Map."
- 1.04 Territorial Jurisdiction
- The Road Naming and Addressing Policies set forth in this Ordinance shall be applicable for all the unincorporated areas of the County.
- 1.05 Incorporated Areas
- Any incorporated area within the County that is being provided radio/communications services by the County's Communications/E911 Center, is requested to adhere to the Road Naming and Addressing Policies set forth in this Ordinance, which may require the adoption of a compatible Ordinance by its governing board.

ARTICLE II
Addressing Map

2.01 Official Road Name and Structure Numbering Map

The address number map shall be entitled, "Official Road Name and Structure Numbering Map, Perquimans County, North Carolina". The effective date of said map shall be entered here upon completion of all of the aforementioned mapping, addressing, and data base development by ASI, Analytical Surveys Incorporated. GTE Government Information Services. Said map is a digital software layer on the county GIS system, recreated onto the 911 Central Communications system, and shall hereby be adopted as the Official Road Name and Structure Numbering Map of Perquimans County. All County addresses assigned shall be assigned in accordance with this map.

2.02 Maintenance and Storage

The Addressing Map shall be kept on file in the County Planning Department and stored as a digital county GIS layer. This map may be maintained and updated in data processing storage systems.

ARTICLE III
Numbering System

3.01 Uniformity of the System

All roads that are officially designated on the Addressing Map whether public or private, shall be numbered uniformly and consecutively along the roadway centerline. Numbers shall be assigned along the entirety of all named thoroughfares.

3.02 Road Naming and Number Criteria

All roads, both public and private, shall be named, have road name signs installed, and all structures shall be numbered, if three or more addressable structures, including mobile homes, are located on and accessed by the road and may be named if two or more addressable structures are located on and accessed by the road.

3.03 Numbering Method

A set of numbers consisting of a three, four, or five digit natural number-called a structure number, shall be assigned at intervals of 50 feet along a roadway centerline. Odd structure numbers shall be assigned to the left side of the road by ascending numbers moving away from the origin point. Even structure numbers shall be assigned to the right side of the road in a like manner.

3.04 Dead End Roads

All dead-end roads and cul-de-sacs shall begin with ascending numbers at the end connecting to another road.

3.05 Numbers Begin with 100, 200, 300, etc.

The first potentially assignable structure number (in the first 50 feet) of a given road shall be the number 100, 200, 300, etc., or the number currently assigned by a municipal numbering system. Vanity addresses shall not be approved.

ARTICLE IV
Addressing System

4.01 Method of Assigning a Number

An even and an odd number will be available for addressing for every 50 feet of road frontage throughout the County. There will be 5.28 even addresses and 5.28 odd addresses available for every 1/10 of a mile. Note that 5.28 is an increment of a mile (1 mile = 5280 feet).

- 4.02 Corner Lots
- Structures on corner lots shall be assigned a structure number either from the road which intersects an addressable driveway to that structure, or from the road in which the main access or entrance to the structure is oriented. The number will be assigned using the method in Section 4.01 above and will be assigned in the manner, which is most logical.
- 4.03 Road Name of Address
- The road name of an address shall be the name of the road from which the structure is numbered.
- 4.04 Requirements of Road Naming and Numbering
- If development of a private road meets or exceeds the minimum structure regulations (Section 3.02), said road shall be named and numbered and structures readdressed according to the requirements herein.
- 4.05 Duplex and Multi-Family Dwellings
- One structure number shall be assigned to each structure whose units share a common roof. Each unit within the structure shall be assigned a unit designator. Allowed unit designators include apartment numbers for apartments, and numbers for commercial buildings. The unit designator shall be a number, and shall not include alphabetic characters, except as stated in Section 4.06 of this Ordinance.
- 4.06 Assigning of Unit Designators
- Residential unit designators shall be as follows: ground level floor numbers - #101, #102, #103 . . . second floor numbers - #201, #202, #203 . . . etc. All floor levels are to follow this scheme. Underground floor designator shall follow the same scheme with the exception of having a "U" for a prefix, for example #U101, #U102 . . . etc. This section specifically applies to multi-family dwellings.
- 4.07 Mobile Homes
- Manufactured housing or mobile homes shall be assigned individual street addresses according to the requirements herein, whether they are located on individual lots or in developed parks.
- 4.08 Recreational or Resort Communities
- Resort communities or recreational developments that have established dwelling sites with electrical power hookups shall be assigned individual street addresses in accordance with the requirements herein.

ARTICLE V

Posting Requirements for Structures

- 5.01 Time Constraints
- Within 90 days after written notification of the assignment of or change of a structure number, the owner of said structure shall post the assigned structure number in compliance with the requirements herein.
- 5.02 Number Specifications
- All structure numbers shall be constructed of durable material. The color shall contrast with the color scheme of the structure, and if mounted on glass, shall contrast with the background and be clearly visible. Roman numerals shall not be approved.
- The minimum number size for residential structures or units shall be four (4) inches in height. The minimum size for all other structure number shall be six (6) inches in height. In all cases, a number larger than the minimum size may be required where the minimum size does not provide adequate identification.
- 5.03 Posting Locations
- All numerical identifications must be easily identifiable without obstruction of view.
- Any dwelling or business located at more than 100 feet from the roadway and/or not clearly visible from the roadway shall be required to have numerical posting at both

the lot entrance or driveway and located in close proximity to the front door or structure entrance way.

A minimum of 5 feet in posting height will be required for all dwelling or business identification in close proximity to the structure entrance way.

The post height of 3 feet will be required for all lot entrances or private drives that require numerical posting. A mailbox will be suitable, as long as it is placed at the entrance way to the property.

5.04 Maintenance of Structure Numbers

Following the posting of the assigned number as required herein, the owner shall maintain the structure number at all times in compliance with the requirements of this Article. Structure numbers and unit designators, as viewed from the road, shall not be obstructed from view.

ARTICLE VI

Road Naming

6.01 Approval of Private Road Names

The County Planning Board shall have authority to approve private road names. Public road names shall be named by the Perquimans County Board of Commissioners in accordance with North Carolina G.S. 153A-239.1. The County Planning Director shall coordinate the name of all streets within the incorporated areas of the County with existing Ordinances of the municipality.

6.02 Deceptively Similar Names

The County Planning Director shall maintain a database of existing road names, such that duplicate or "deceptively similar" road names are neither approved nor assigned.

6.03 New Road Names

New road names that relate to the history, location, or scale of a project area, shall be given consideration. Hyphens and special characters shall not be approved.

6.04 Desirable Names

Road names that are pleasant sounding, appropriate, easy to read, and add pride to home ownership, shall be promoted.

6.05 Undesirable Names

The following kinds of names shall be avoided: numerical, alphabetical, similar in nature and complicated names. The County Planning Director is hereby given authority to refuse to accept any road name which in his their opinion violates the spirit or the provisions of this Article.

6.06 Suffixes

The following road name suffixes are allowed: Alley (ALY), Avenue (AVE), Boulevard (BLVD), Circle (CIR), Court (CT), Drive (DR), Highway (HWY), Knoll (KNL), Landing (LNDG), Lane (LN), Loop (LP), Parkway (PKWY), Path (PATH), Place (PL), Road (RD), Run (RUN), Street (ST), Trail (TRL), and Way.

6.07 Road Segments

Each road shall bear the same name and uniform numbering along the entirety of the road. Segments of roads shall not be allowed to have different or separate names. The Planning Director shall determine what constitutes a road or way.

6.08 Offset Intersections and Split Routes

Split routes, also known as "dog-leg" of offset intersections, shall be treated as separate roads with different names and numbering to preserve the integrity and continuity of the number system.

6.09 Impasses

Impasses or sections of a road that are impassable shall be assigned different names and numbering to each portion of the road on either side of the impasse to preserve the integrity and continuity of the numbering system.

ARTICLE VII

Road Name Signs and Standards

7.01 Installation and Maintenance

Initial purchase and installation of private street name signs required by the Ordinance shall be the responsibility of the developer. Further maintenance or replacement of a private street name sign after the initial installation may be the responsibility of a designee of the Perquimans County Manager. All public road name signs required by the Ordinance shall be installed and maintained by a designee of the Perquimans County Manager. Road name sign maintenance or replacement within municipalities is the responsibility of the municipality.

7.02 Sign Standards

Road name signs shall meet the following standards:

- (a) All road name sign blades shall be a minimum six inch vertical dimension sign with a minimum of four inch letters.
- (b) Road name signs or "blades" shall be made of a reflective green sheeting with the road name in reflective white letters on both sides.

ARTICLE VIII

Administration

8.01 Ordinance Administrator and Responsibilities

Shall be left open for future provisions.

8.02 Applications and Petitions

Shall be left open for future provisions.

8.03 Building Permits

No building permit shall be issued for any building or structure until the owner or developer has been issued a structure number with a corresponding road name from the County Manager designee.

8.04 Certificate of Occupancy

Final approval for a Certificate of Occupancy of any structure or building erected or repaired after the effective date of this Ordinance shall be withheld until permanent and proper structure numbers have been posted in accordance with the requirements herein.

8.05 Fees

Fees and charges provided in the Perquimans County Addressing Ordinance for the filing of petitions, applications, the cost of hearings, variances and maps shall be paid by the applicant under this Ordinance at the time of application.

8.06 Reason for Denial

If approval is denied, the Planning Director or designee, shall provide an "in-kind" statement (oral or written) of his reasons for non-approval of a particular action (petition, variance, application, etc.).

ARTICLE IX

Amendments

9.01 General

The Board of County Commissioners may, from time to time, on its own motion or on petition, after public notice and a hearing, as provided by this Ordinance, amend,

supplement, change, modify, or repeal the addressing regulations and assignments. No action shall be taken until the proposal has been submitted to the Perquimans County Planning Board for its recommendation. If no report has been received from the Planning Board within forty-five (45) days after submission of the proposal to the Secretary of the Planning Board, the Board of County Commissioners may proceed as though a favorable report has been received.

9.02 Public Notification

Before adopting or amending this Ordinance, the Board of County Commissioners shall conduct a public hearing on the proposal utilizing legislative text amendment procedure outlined in NCGS Chapter 153A-239.1. A notice of the public hearing shall be advertised once a week for two (2) successive calendar weeks in a newspaper having general circulation in the area. The notice shall be published the first time not less than ten (10) days nor more than twenty-five (25) days before the appointed date of the legislative public hearing. In computing such period, the day of publication is not to be included but the day of the hearing shall be included.

9.03 Letter of Notification

Whenever there is a proposal for a change in the addressing system involving any portion of an address, the landowner of that parcel's address as shown on the County tax listing and the landowners of all the parcels of land abutting that parcel of land as shown on the County tax listing, shall be mailed a notice of the proposed change in the addressing system. The notice shall be mailed by first class mail to the last address listed of the landowners according to the County tax abstracts.

9.04 Protesting a Petition or Proposal of Amendment

No protest against any change in, or amendment to, the Addressing Ordinance, regulations, proposals, or the addressing system, shall be valid or effective unless it is in the form of a written petition. The petition shall bear the names and signatures of the opposing property owners and shall affirm and state the nature of protest to the proposal.

9.05 Application for Amendment

Applications for an amendment to the Addressing Ordinance shall be filed with the Planning Director at least ~~ten (10)~~ twenty-five (25) days prior to the date on which it is to be filed with Planning Board. The Planning Director shall be responsible for presenting the application to the Board of County Commissioners with Planning Board recommendations. Each application shall be signed, be in a duplicated form, and shall contain the following:

- (a) The applicant's name and address in full.
- (b) In the case of a text amendment, it shall set forth the new text to be added and the existing text to be deleted and any other text changes that will have to be made as a result of the effect on the remaining articles, sections, definitions, diagrams or attachments.
- (c) If the proposed amendment will change the Addressing Map a copy of the Addressing Map shall be marked to indicate the impact of the proposed amendment to the existing map and shall be presented with application for amendment.

All proposed amendments to the Addressing Ordinance shall be submitted to the Planning Board for review and recommendation. The Planning Board shall have forty-five (45) days to submit its report. If the Planning Board fails to submit its report within the above period, it shall be deemed to have approved the proposed amendment.

A public hearing shall be held by the Board of County Commissioners before the adoption of any proposed amendments to the Addressing Ordinance. When the Board of County Commissioners shall have denied any application for the change of a portion or matter of the Addressing Ordinance, it shall not thereafter accept any other application of the same change involving that portion or matter of the Ordinance until the expiration of six (6) months from the date of such previous denial.

Before any action shall be taken on an amendment request, the party or parties proposing or recommending said amendment shall deposit the required fee with the Planning Director at the time the petition is filed to cover publication and other

miscellaneous cost of said change. Under no condition shall said fee or any part thereof be refunded for failure of said amendment to be adopted. However, in the event an application is withdrawn prior to the time it is ordered advertised for hearing by the Planning Director, three-fourths (3/4) of the fee shall be refunded.

ARTICLE X

Schedule of Fees

Shall be left open for future provisions.

ARTICLE XI

Legal Status Provision

It shall be unlawful for any person to use or display a different address or portion thereof except as provided by this Ordinance or the "Official Road Name and Structure Numbering Map, Perquimans County, North Carolina."

It shall be unlawful for any person to name or designate the name of any private road, street, drive, cartway, easement, right-of-way, access area or any other thoroughfare, except as provided by this Ordinance.
