CURBSIDE VOTING

Every voting site in North Carolina offers curbside voting for voters who are unable to enter the voting place without physical assistance due to age or disability.

The term “disability” means you:

- Are unable to enter the polling place due to age or physical or mental disability, such as agoraphobia;
- Have a medical condition that puts you at increased risk of COVID-19;
- Should not wear a mask due to a medical or behavioral condition or disability; or
- Are experiencing symptoms of COVID-19.

You will be required to swear or affirm that because of physical disability or age that you are unable to physically come inside the polling place without assistance.

You will also be required to swear or affirm that if you knowingly make false claims as to your disability then that is in violation of NC law.

Not wanting to wait in line is NOT a valid reason to vote curbside.

Curbside voting is offered at each Election Day polling place and early voting site. Signs should be in place to direct voters to the curbside voting location. Curbside voters must sign an affidavit affirming that they are unable to enter the voting place to cast their ballot. A curbside voter has the same rights to assistance as any other voter.

Voting a mail-in absentee ballot from home is another option.
