Asheton Smith starts a new position:

Saying goodbye is hard to do! Thank you to the amazing community that welcomed me with open arms and supported this great 4-H program. I am thankful for my time in Extension and look forward to partnering together in the future. I will be transitioning into the school system as a 3rd grade teacher at Hertford Grammar starting in August. Great things will continue to happen here so don't miss out on the many great opportunities for your youth!

Perquimans 4-H

4-H Summer Adventures is off to great things! Already kids have painted, conducted science experiments, decorated gourmet cookies, gone on field trips, learned healthy snacks and so much more! Be sure to check out the rest of this summer's offerings. You don't want to miss out!
