NC Cooperative Extension - Perquimans County Center

DID YOU KNOW?**November 2023****4-H News!!**

We are excited to announce that Tori DeWald is the new 4-H Agent!

Tori started with the Perquimans Extension Service on November 7th and she can be reached at 252-426-5428. Tori is originally from Lexington, NC but has since moved to Tyrrell County. She graduated in May 2023 from UNC Chapel Hill with majors in psychology and anthropology and a minor in food studies. She grew up a member of 4-H in Davidson County and is excited to share her love of 4-H with a new generation of kids. In her spare time, Tori loves to cook, read, and enjoy the outdoors. She is always searching for a good book to read and a great place to eat.

Holiday Tips

As the Holidays are fast approaching, check out of tips for keeping your family healthy! Be sure to follow our Facebook page and check our website for upcoming recipes and holiday tips!

NC STATE
EXTENSION

Preparing for Thanksgiving

Preparing dishes ahead of time?

- After cooking, cool food quickly by putting it in separate shallow containers and stirring frequently
- Foods immediately refrigerated in the dish used for cooking won't cool fast enough because the dish will stay hot
- Tightly wrap cooled foods to prevent contamination

safe plates

NC STATE
EXTENSION

Preparing for Thanksgiving

Avoid leaving food sitting at room temperature

- Plan for foods to finish cooking at the same time.
- Plan for which dishes need to be cooked with the oven vs. stove and which foods can be made and stored in the fridge.
- Hold hot food at 135°F or above until ready to serve. Slow cookers or warming pans can keep food hot.
- Hold cold food at 41°F or below until ready to serve.

Seasonally Homemade Series Upcoming Classes

Niche Meat Conference

The 2023 Northeast NC Niche Ag Conference will be held on November 17, 2023 at the Currituck County Extension Center in Barco, NC. This conference, ***designed for adults in the farming community***, will consist of six hands-on short courses (3 - 4 hours in length) on topics important to farmers in eastern North Carolina. ***(Courses run concurrently so you must pick ONE topic for the entire day).*** ***Registration is very limited so please only register if you are certain you can attend.*** The short course topics include:

- Specialty Mushroom Production
- Poultry Processing
- Beef Quality Assurance Certification
- Hydroponic Vegetable Production
- Agro-forestry
- Horticulture - Heat Tolerant Species and Tools for High Tunnel Growing

Register at:
