January ServSafe Training

Calling all those in the restaurant and food service industry! N.C. Cooperative Extension will be offering a ServSafe Food Safety Class in January. The class will be held at Camp Cale located at 377 Camp Cale Rd, Hertford, NC 27944 and will begin promptly at 9 a.m. each day.

ServSafe is a course designed by the National Restaurant Association Educational Foundation to provide food service operators, managers, and support personnel with the knowledge essential for food preparation and handling within their respective facilities to help reduce the risk of foodborne illness. The course covers handling food, from receiving and storing to preparing and serving. It gives science-based information on how to run a safe establishment.
