Variance Request Application

Case No. ZVA/NZV- _____ - _____

I/WE HEREBY REQUEST A VARIANCE FROM SECTION _____ OF THE PERQUIMANS COUNTY ZONING ORDINANCE, SUBDIVISION REGULATIONS, OR MANUFACTURED HOME ORDINANCE.

In your own words, clearly indicate the problem(s) you will experience in complying with County development regulations.

(Attach additional pages if necessary.)

Pursuant to Section 327 of the Zoning Ordinance, Section 206 of the Subdivision Regulations, and Article 8 of the Manufactured Home Ordinance every request for Variance shall be referred to the Board of Adjustment. The Board of Adjustment shall hold a public hearing. Notice of the public hearing shall be mailed to adjoining property owners in the envelopes provided by the applicant. Notice shall be made by posting the property concerned. The Board of County Commissioners shall receive written notice of the meeting and its subject matter from the Board of Adjustment. The process for public hearing is outlined in Zoning Ordinance Section 331. Hearing Procedures on Appeals shall be followed.

I/We, _____ understand that, when unnecessary hardships would result from carrying out the exact rules of a Perquimans County Ordinance, the Board of Adjustment shall vary any of the provisions of the ordinance upon a showing of all of the following [per NCGS Ch. 160D-705(d) (1-4)].

In the spaces provided below, indicate the facts that you intend to prove and the arguments that you intend to make to convince the Board that it can properly reach these four conclusions. It will be your responsibility to present these facts under oath and provide relevant evidence.

- (1) Unnecessary hardship would result from the strict application of the ordinance. It shall not be necessary to demonstrate that, in the absence of the variance, no reasonable use can be made of the property.

(2) The hardship results from conditions that are peculiar to the property, such as location, size, or topography. Hardships resulting from personal circumstances, as well as hardships resulting from conditions that are common to the neighborhood or the general public, may not be the basis for granting a variance. A variance may be granted when necessary and appropriate to make a reasonable accommodation under the Federal Fair Housing Act for a person with a disability. _____

(3) The hardship did not result from actions taken by the applicant or the property owner. The act of purchasing the property with knowledge that circumstances exist that may justify the granting of a variance shall not be regarded as a self-created hardship. _____

(4) The requested Variance is consistent with the spirit, purpose, and intent of the ordinance, such that public safety is secured, and substantial justice is achieved. _____

Furthermore, it is understood that no changes in permitted *uses* may be authorized by variance.

Appropriate conditions and safeguards may be imposed on any variance, provided that the conditions are reasonably related to the variance and otherwise in conformity with the relevant Ordinance. Violation of such conditions and safeguards, when made a part of the terms under which the variance is granted, shall be deemed a violation of the relevant Ordinance and punishable under Zoning Ordinance Article IV "Enforcement" and the variance may be revoked.

The applicant, The Board of County Commissioners, and the Planning and Zoning Administrator shall be given written copies of the Board's decision and the reasons therefore.

Any request for Variance submitted in accordance with the provisions of this Article may be withdrawn at any time, but fees are nonrefundable.

The Board of Adjustment may, so long as such action is in conformity with the terms of the relevant Ordinance, reverse or affirm, wholly or partly, or may modify the order, requirement, decision, or determination, and to that end shall have the powers of the Zoning Administrator from whom appeal was taken.
